STALL APPLICATION FORM

Dear Trader

Thank you for your enquiry about a stall on one of our Markets. We enclose an information sheet about the market you requested together with a list of our current markets.

On the back of this letter there is an application Form to be completed with; photo ID, and proof of your current address. To book a pitch two weeks advance fee is required. The fee will then be collected each week. This will mean that you are paying two weeks in advance to guarantee your pitch. If you decide to finish you stop paying the fees and continue to work for the period of your advance fee and then leave. No pitches can be allocated unless some fees are paid. The Application Form must be completed and handed to your Manager or sent to Head Office with the correct amount of money. Where Wendy Fair do not supply covers we recommend traders to use Green and White striped covers.

All traders must have **Public liability insurance**. In the event of an incident you could be held responsible and your insurance company would deal with any claim.

Please call one of the companies below, prices start from approx. £50 for the year;

Combined Market Traders Insurance;	0208 554 5273
LRO:	0207 3475160
GM Imber:	01342 327250
