

## Environmental Policy Statement

We will actively manage the impact of our business on the environment and do our best to ensure that we have no detrimental impact on our surroundings.

We will comply with all relevant legislation and support schemes that we believe will protect or improve the world we live in.

We will work with all our suppliers and customers to reduce the amount of waste we produce.

We will participate in recycling schemes and ensure that as much of our waste as possible is reclaimed.

We will properly dispose of any residual waste we cannot recycle.

We will ensure that any hazardous waste we create is recovered using professional contractors.
